

RENTAL SOLUTION

SM/MM fiber launch

Benefit from minimal investment costs
and optimal rate of return

MORE

FLEXIBILITY

Without locking up valuable investment

With our flexible rental solutions, you can easily cope with peaks in your demand. You strictly pay per need or use and benefit from minimal acquisition costs, optimal utilisation and fast return on investment. Quick and flexible access to the latest measurement technology guarantees an immediate increase in the efficiency of your testing operation.

Your equipment inventory can be ideally adapted to changing requirements at any time.
